Minhee Lee

M.S. Student
Graduate School of Artificial Intelligence
Pohang University of Science and Technology (POSTECH)

Email: mhlee02@postech.ac.kr, Web: Link, Google Scholar: Link

Education

POSTECH, Pohang, Republic of Korea *2025*
M.S. in Artificial Intelligence
Advisor: Prof. Jaeho Lee

Soongsil University, Seoul, Republic of Korea *2021*
B.S. in Computer Science and Engineering

Publications

[1] "Multi-frame Restoration for 10 Hz Lissajous Confocal Laser Endomicroscopy"
Minhee Lee, Sangyoon Lee, Jiwook Lee, Jiwook Lee, Minki Hong, Kyuyoung Kim, Won Hwa Kim, Jaeho Lee
International Conference on Medical Image Computing and Computer-Assisted Intervention (**MICCAI**), 2026.

Awards and Scholarships

Southern California Korean American SW Pioneer Hackathon
First Place *2023*
Developed a fingerprint protection system for high-resolution images using YOLOv5 and DeepLabV3+.

Korean Government
National Excellence Scholarship in Science and Engineering *2023*
Two-year full-tuition scholarship awarded for outstanding academic achievement in science and engineering.

Soongsil University
Dean's Award (2nd Place), Software Competition *2023*
Developed an automated exercise tracking and repetition counting application using computer vision.
